### BASE BID DESCRIPTION:

The Project consists of approximately 51,000 SY of pavement rehabilitation on Runway 13-31 at General Mitchell International Airport including a 4" mill and replacement of asphalt and concrete areas. The final asphalt placement is to match existing grades and profiles. this project also includes pavement markings, topsoiling, seeding, and hydromulching of disturbed areas adjacent to the new pavement.

CBDP concurs with the DBE participation for the above recommended Bid. Please refer to the approved Form DBD-014C attached to the bid recommendation.
